LinkedIn: [linkedin.com/in/murtaza-ahmad-a12ab432a](https://www.linkedin.com/in/murtaza-ahmad-a12ab432a)

Motivated **Digital Systems & Web Technology (DSWT)** undergraduate with hands-on experience in developing full-stack web applications using **React.js, Python, Flask, MySQL, MERN Stack** and modern web technologies.

Successfully completed multiple real-world projects, including a **Full E-Commerce Website, Hospital Management System**, and responsive React applications. Passionate about leveraging Artificial Intelligence (AI) to build smart, scalable, and user-friendly solutions. Seeking opportunities to contribute to innovative software teams while continuously expanding my expertise in AI, Full-Stack Development, and modern web technologies.

WORK EXPERIENCE

Full-Stack & Front-End Developer | Intern & Personal Projects

- Developed responsive and modern web applications using **React.js, HTML, CSS, JavaScript, MERN**.
- Built scalable backend applications using **Node.js, Express.js (MERN Stack) (Basic), and Python (Flask)**. Designed and developed RESTful APIs for seamless frontend integration.
- Managed **MongoDB** and **MySQL** databases using **MongoDB Compass** and **MySQL Workbench**, including database schema design, CRUD operations, data relationships, and efficient data management.
- Built complete web applications including an **E-Commerce Website** and **Hospital Management System** with authentication, billing, and database management.
- Used **Git & GitHub** for version control and collaborative development.
- Created reusable UI components, optimized responsive layouts, and improved application performance.

EDUCATION

Bachelor of Science in Digital System & Web Technology

Feb

2023 – Feb 2027 Hamdard University Islamabad Campus

CGPA: 2.6

Technical Skills

Programming Languages

- Python
- JavaScript
- PHP
- HTML
- CSS
- SQL

Databases

- MongoDB
- MySQL

Deployment & Hosting

- Hostinger

Frontend Development

- React.js

API & Testing Tools

- Postman
- Flask Requests
- Flask-Mail

Backend Development

- Node.js
- Express.js
- Python (Flask)
- RESTful API Development
- CRUD Operations

Development Tools

- Visual Studio Code
- MySQL Workbench
- Git
- GitHub

Certifications

- **Computer Science Internship Certificate** – ZSquare Solutions (October 2024 | 3 Months)
Front-End & Back-End Developer Internship
- **Computer Science Internship Certificate** – National Highway Authority (July 2025 | 3 Months)
Front-End & Back-End Developer Internship
